A Heaping Spoonful of Love Ministry

The Board of Mission and Outreach invites you to help cook to fill the freezer!

Cook date is set for November 27th all are welcome!

The Board of Outreach invites you to bake some dessert breads for the freezer. The board has a lot of personal things going on right now and they can't set an additional cook date to bake the breads. How can you help?

Please bake some dessert breads and wrap them in saran wrap and then aluminum foil. You can put them right in the freezer behind the Keating room. Please label the breads, thank you so much for your help with this ministry.
