

A wooden sign with a warm, reddish-brown background. The sign features the word "Welcome" in a large, white, cursive script. Below it, the phrase "We're glad to see you!" is written in a smaller, white, sans-serif font. The sign is decorated with clusters of small, pink cherry blossoms, some in sharp focus in the foreground and others blurred in the background.

Welcome

We're glad to see you!

**Our Greeter this Morning is
Nicole Milo**
